Borderlands 2 - Level Up Fast (Power LvL From 1-50 Instantly) Can GTA V Online Network Merge Xbox 360 and PS3 players, or is it two.

txt and then make a new character on the pc, then just edit the level to that of the one on your ps3 save and add in all the weapons, only thing is you will have to go through the game so maybe in gibbed unlock the subsequent playthroughs that you have completed on your ps3, let me know if this works, and don't listen to these guys.. I can understand wanting to continue where you left off on your ps3 account, but really, if you liked the game that much that you brought it on another platform, is just playing the game and enjoying it, that big a deal? Is not converting your ps3 save going to stop you from playing it on pc? If so, that's kind of stupid in my opinion.. 8 and have no problems with BL2 saves You wouldn't want to start at level 1 in UVHM since it starts at level 50.. Originally posted by:Why bother to buy on pc when you have already got so far on ps3 then? If you didn't enjoy the game enough to start over again, why did you buy it on another platform?.. In Borderlands and Borderlands 2, every level from 5 onward grants the character one.
